

IRWA's new Member Network allows members to connect, share information, post resources and schedule events within a number of Association-specific groups. Here are some tips to help you take the fullest advantage of this great new social networking member feature! [Click HERE to connect to IRWA's Member Network](#)

Have you tried extending your profile with member matching?

On your Dashboard, you have the option to fill out your member matching questions. By completing this short questionnaire, the member network will automatically connect you to other members with similar interests.

And sign up for courses with your Community Calendar!

1. Click on "Events" to access your calendar
2. Select your event

3. Click the green "Register Now" button

The screenshot illustrates a three-step registration process. **STEP 1** shows a navigation menu with 'Events' highlighted. **STEP 2** shows a calendar view with several events listed. **STEP 3** shows a detailed view of the '504 Computing Replacement Housing Payments 12.06.12 Atlanta, GA' event, with a green 'Register Now' button highlighted.
