Get certified as Associate Right of Way Professional (ARWP)!

The Associate Right of Way Professional (ARWP) Certification is the second level in the four-level [Generalist Career Path](#) leading to the [Senior Right of Way \(SR/WA\) Designation](#). Achieving the ARWP Certification will differentiate you from other professionals and expand employment opportunities.

SIX EASY STEPS TO CERTIFICATION:

1. Become a candidate.
2. Complete your coursework by taking 48 IRWA approved units in any of the disciplines not previously applied at RWA level. A maximum of 16 units of beginning and/or intermediate courses in the following disciplines: [200](#), [300](#), [400](#), [500](#), [600](#), [700](#), [800](#) and/or [900](#) series.
3. Complete 8 units of Ethics – Course 103 or Course 104. The Ethics course which was completed for the RWA certification can also be applied if taken within the past 5 years.
4. Complete two years of Right of Way (ROW) experience.
5. Have your formal two-year degree, or an additional two years of ROW experience. For other options, please refer to page 6 of the [ARWP Program Guide](#).
6. Submit your [ARWP Completion Application](#).

For more details please refer to the [Program Guide](#).

For any other questions regarding certification and designation, contact your local PDC Chair or Francis Vicente, Credentialing Manager, at vicente@irwaonline.org or (310) 538-0233 ext 123.
